Notes:

Did you know that crossbreeding can increase weaning & yearling weights by 5-10%? If your straight bred calves average 500# at weaning, you can increase your weaning weights 25-50 lbs simply by crossbreeding. At $1.50/lb, that could mean an extra $37 to $75 per head in your pocket. Plus, if you are retaining heifers, you can increase reproduction, health and cow longevity by 10-30% simply by running a crossbred cow.

There's no **mama**

like a Hereford-sired **mama**

New data proves it

Net income of $51 more per cow per year. A 7% advantage in conception rate. A significantly higher selling price for bred heifers — all this from Hereford-sired females compared to straight Angus females in a recent, large-scale study.* See all the data at www.hereford.org.

ANNUAL COLT SALE
SATURDAY, JULY 14, 2018 • 11:00AM

Cowboy Essence is the self-satisfaction in knowing you did your best to become the best you are capable of becoming. The cowboy culture has long been admired for many wonderful characteristics: hard work, integrity, ambition, self-reliance, family values, confidence, honesty, loyalty, having a relationship with the season of the year, and perseverance through hard times as well as gratitude during the good times. We are fortunate to have the cowboy culture to remind us of Cowboy Essence. But no matter who we are or where we are in our lives, we all have the opportunity to demonstrate these qualities. Examples are everywhere as the spirit of the American cowboy filters into all aspects of our communities, culture and society whether we're a schoolteacher, physician, firefighter, law enforcement officer, businessperson, civil service worker, outdoor recreationist, student, cowboy or family member at home. Cowboy Essence creates that peace of mind that comes from knowing our heritage and that we are at our best. – *The Constitution of Babbitt Ranches, Article III*

Lot 1

Star In Bartender

Gelding • Reg. 5264262 • Bay Roan • DOB 4/20/2009 • 15-3 H
Sire: Tee Jack Bee Quick • Dam: Skipper Cody Lady

"L.B." is a big stout, pretty gelding that goes hard all day. He has done it all on ranches in New Mexico, Colorado and Arizona. He has plenty of handle and is very good minded. He is lightly started on the heading side and shows a lot of promise. He sells safe, sound and sane. Don't miss out on this one!

Consigned by: Logan Anderson, Kirkland, Arizona

Lot 2

MGS Skips Hired Hand

Gelding • Reg. 5329945 • Sorrel • DOB 5/23/2010 • 15 H
Sire: Dry Docs Hilltop • Dam: SS Peppy

"Redman" has seen and done it all. He's gentle, sound and nice to look at. He is smooth at heading and heeling big calves. Redman has a ton of go and it shines on him catching and leading cattle. Take him to the arena and watch him with his big stop. He's ready for the heeling side. Redman is good at everything, and he'll be outstanding at anything.

Consigned by: Cisco Nixon, Bagdad, Arizona

Lot 3

SAA Dunit N The Woods

Gelding • Reg. 5508673 • Palomino • DOB 5/1/20012
Sire: Dunits Lean Dream • Dam: JK Sheza Brucita

Dirty Deeds is a good looking, gentle, stout made horse. He has been (and still is) used daily in all areas of ranch work, including sorting, branding, catching and leading cattle. I've packed lions out on him. He's good to shoe, and is an easy horse to get along with. He's young, though, so he can be tight if off for awhile, but can he be talked out of bucking. He's pretty easy, and has a lot of potential.

Consigned by: Cody Tillery, Prescott Valley, Arizona

Lot 4

WF Pachuckos Queen

Mare • Reg. 5466516 • Sorrel • DOB 4/4/2012 • 14-5 H
Sire: Pachuckos Star • Dam: Queen Amadala

Pachuckos Queen is from some of the best stock on Maughan Ranches. She has been raised outside and knows how to get around in rough country. Maughan sold her to Twister Heller, who started her as a 2-year-old and then turned her out to be a broodmare. I bought her last summer from Twister and started using her last fall. Since that time she has been used in all ranch work; gathering, sorting and some roping. She's a pleasure to ride, very quick footed and really watches a cow. This mare has a big engine and has performance and class written all over her.

Consigned by: Kenny Haught, Skull Valley, Arizona

Lot 5

Salty Cattessa

Mare • Reg. 5628335 • Sorrel • DOB 4/3/2014 • 14-2 H
Sire: Salty Merada • Dam: Cattessa

This is an amazing little, kind mare. She is bred well and has a ton of potential. She has been used working cows at the sale barn. She is quick and would be a great sorting horse. She has been ridden and used on the ranch since we purchased her. She is a good outside horse and can get around in the rocks. She is sired by Salty Merada, who has over $90,000 in NCHA earnings. This horse was meant to be Bailey's next cow horse project, but since we moved, she has no time for extra horses. That is the only reason this horse is in this sale.

Consigned by: Bailey Kimball, Prescott, Arizona

Lot 6

Ping Pong

Gelding • Grade • Sorrel • DOB 2008 • 15-3 H

This horse has been used to catch and lead a lot of cattle. He is good to work a herd on, and good to drag calves on. He has been in the arena, and done both ends, but he is still kind of green. Ping Pong is great in rough country. I've had him for five years and he's never bucked, but he's not a horse for a novice rider. He's not a bronc to shoe, but isn't really good either.

Consigned by: Logan Westcott, Hillside, Arizona

Lot 7

White Collar Crime

Gelding • APHA 1038110 • Buckskin • DOB 5/17/2013 • 14-3 H
Sire: MC Diamonds Smoker • Dam: Gloria Vanderbug

Peanut is a gentle gelding that has been used on the ranch and the arena. He has done all of the typical ranch work from dragging calves to sorting cows. He has been started on the heading side, and has been used as a calf horse.

Consigned by: Crozier McCrae, Kingman, Arizona

Lot 8

Flying V Harper

Gelding • Reg. 558031 • Red Dun • DOB 5/5/2013 • 14-3 H
Sire: Sugs Lil Will • Dam: Flying V Lila

Harper was born and raised in the rocks. He has had all types of ranch work done off of him. I've roped and doctored cattle, gathered cattle and caught and led cattle on him. He is well mannered, no buck and is gentle. He would make a great calf horse.

Consigned by: Klancy Best, Douglas, Arizona

Lot 9

Dry Peppy Cody

Gelding • Reg. 5545669 • Buckskin • DOB 4/29/2013
Sire: RTR Dry Peppy Bar • Dam: Shift To Cody

Dry Peppy Cody, "Bucky," is a ranch raised gelding. He has been used in all phases of ranch work. This gelding has been ridden in a lot of rough country and handles it and takes care of himself well in it. He is very gentle. He has been started on cattle in the arena out of the heeling side. This gelding will continue to make a good ranch horse, or go on as a roping prospect. He is easy to be around and 100 percent sound.

Consigned by: Gary and Roberta Halford, Camp Verde, Arizona

Lot 10

SR Real Big En Rich

Gelding • APHA 999348 • Paint • DOB 1/6/2011
Sire: Roddin Real • Dam: Shez Big En Rich

SR Real Big En Rich has a lot of ability. This gelding is a nice horse. He has been used on the ranch for the last couple of years. He has been hunted off of and doesn't mind a pack of dogs around him. He has been used as a daily mount and can get around and cover the country. He is a very gentle horse - easy to shoe and be around. This horse has also been hauled to jackpots and won on in high # ropings. He is ready to be taken in any direction. He would make "anyone" a good horse.

Consigned by: Kyle Stone, Skull Valley, Arizona

Lot 11

Reygans CD

Gelding • Reg. 55338061 • Chestnut • DOB 2/11/2012 • 14 H
Sire: High Brow CD • Dam: Dual Reyganomics

This is a nice 6 year old gelding. His sire, High Brow CD, ranks #6 as a top money earning sire. His dam, Dual Reyganomics, also has NCHA earnings. He is good in the corrals working cattle and just a great all around ranch horse. This is an opportunity for you to have an own son of High Brow CD! We have move to a ranch that supplies horses, and with that being said, we need to downsize our horse herd. This is the only reason this horse is in the sale.

Consigned by: Beano Kimball, Prescott, Arizona

Lot 12

Karen

Mare • Grade • Brown • DOB 4/21/2015 • ~15 H

Karen is a 3-year-old grade mare. Her sire is a son of Three Bars and is out of a Hancock Mare. She is super quiet for her age. She has 30 to 45 days on her, and will have a good foundation. She's short strided and stout, and is ready to go in any direction you please. She has been used in the basic aspects of ranch work.

Consigned by: Wyatt Phillips, Congress, Arizona

Lot 13

Rocky

Gelding • Grade • Sorrel • DOB 2009
Sire: Sugs Lil Will • Dam: FSM Flinns Neat Repeat

Rocky has been used on the ranch all of his life. He has been used to sort cattle, catch wild cattle and drag calves to the fire.

Consigned by: Trey Best, Amado, Arizona

Lot 14

Drago

Gelding • Grade • Sorrel • DOB 2010

Drago is a big, thick, good looking gelding. He has had a lot of cattle roped outside on him. He has been driven 10 to 12 times. He rides around good. He has no buck, but he is a cowboy horse. This horse will pull anything.

Consigned by: Ike Sankey, Sheridan, Wyoming

Lot 15

Caeser

Gelding • Grade • Sorrel • DOB 2011

Caeser came off the Las Vegas Ranch. You can drag calves on him, rope off him and push cows on him. He gets around well outside, and is easy to shoe.

Consigned by: Salcito, Skull Valley, Arizona

Lot 16

Red Hot Speedy

Gelding • Reg. 5300334 • Brown • DOB 5/12/2010
Sire: Red Hot Line • Dam: Hanks Speedy Two

Cinch was raised on the Babbitt Ranch. He is a big, stout, good looking horse with a lot of go. We have used this horse hard on the ranch, and he does his job well. He covers and gets around in rough country, and is not spooky outside. We have also hauled this horse to many ropings and won on him. He is making a good head horse. He's very gentle and easy to e around. Cinch will continue to make a great horse, in or out of the arena.

Consigned by: Schylar Cloudt, Paulden, Arizona

Lot 17

Hobo

Gelding • Grade • Sorrel • DOB 2011

Hobo is a friendly and kind little horse. He is a good all around gelding. He's not the biggest, but when you're on him, you wouldn't know it. He covers country and gets around very well. Hobo has been humpy when left alone for a long time, but for the most part he's pretty gentle. He's tough, and will pack you all day without wearing you or himself out. He has been hunted off of, doesn't mind dogs, and has had all aspects of ranch work done on him. He has a ton of go, and he's only going to get better.

Consigned by: Cody Tillery, Prescott Valley, Arizona

West Clem Ranch

The La Paz County ranch is located just north of I-10 in the Harquahala Valley, approx. 75 miles west of Phoenix. -0- Ac. Deeded, 5,600 Ac. BLM, 8,503 Ac. State Lease and approx. 11,000 Ac. of Adverse Deeded. Elevation on the majority of the ranch is 1,400 – 1,500 ft. Average annual rainfall is 6.18 inches. Improvements include a ranch house, shipping corrals with 5 ton livestock scales and range improvements (all range improvements have been reworked in last few years). The carrying capacity of the BLM Allot. is 65 Hd. YL, State 43 Hd. YL or 108 total not including the capacity of the Adverse Deeded. This is an opportunity for a ranchman, yearling stockman or roping stock provider, to own a well located desert ranch with a pleasant winter climate. Price $575,000.

▸Just as with most desert ranches, the capacity varies from year to year. The owner has run up to 250 adult cows year round and at a minimum (no spring or summer rain) 100 head. The 100 head plus that is legally allotted is an easy number for the ranch to handle. The availability of the additional unfenced adverse deeded land within the allotted area and their stocking rates makes it possible to increase the capacity well over the 108 head approved by the State & Federal agencies.

▸Yearling cattle are rated at a fraction of that used for adults. Therefore, a given piece of land will run greater number of yearlings than adult cattle. With good rainfall, yearlings will gain as much as 2 lb. per day during the spring.

▸The West Clem Ranch within the Clem Allotment can be placed in the USDA Risk Management Agency's Pasture Rangeland Forage Program 'PRF'. PRF is commonly referred to as Drought insurance or Rainfall insurance.
