Want to Build a Better Cow(herd)?

It's time to Buy a Better Bull!

A four-year-old Bar T Bar cow that is weaning her third calf with a 365 day calving interval and a near perfect udder. Her Zoetis Fertility EPD ranks her predicted lifetime calf production in the Top 1% of the industry. She epitomizes what it means to be a better cow!

Bar T Bar bulls will build better cows!

It's no wonder, that despite two of the worst drought years in Arizona history, Bar T Bar is the leading 2021 breeder of Dams of Merit and Distinction in the Gelbvieh breed. Bar T Bar cows run under real world conditions. They produce highly fertile, efficient-sized cows that breed up and wean a high

percentage of their own body weight. The March bull calf pictured weaned off his four-year-old dam at 639 pounds at 200 days of age.

Bar T Bar Bulls

YOU MAKE THE COMPARISON

Popular Industry Bulls

Cow Herd Profit (\$Ranch)

Selected to improve cow herd profit with our unique \$Ranch index - under real world conditions. The 2021 Bar T Bar bulls rank in the Top 5% of the industry for \$Ranch.

Selected for bigger growth and milk numbers under artificial seedstock conditions that result in cows that do not fit the environment.

Birth to Harvest Profit (\$Profit)

Selected to balance the maternal requirements while still building more valuable calves. The 2021 Bar T Bar bulls average over +15,000 on \$Profit and rank in the Top 10% of the industry.

Industry average bulls are around \$8,000 on \$Profit. This is \$70 per calf behind the average Bar T Bar 2021 bull. Average bulls have too much feed intake, too much cow size, and not enough carcass merit.

Reduced Feed Intake and Feed Efficiency

Bar T Bar has been measuring and selecting for reduced feed intake for a decade - to help you lower your feed costs!

Most of the industry does not even measure this trait. The result is selection for inefficient cattle that eat too much!

**The Babbitt Ranches Community
Celebrates**

VIC HOWELL

Cowboy Essence All Day Every Day!

**2022
Cattleman's
Weekend**

Dedicated to

**Vic
Howell**
(1961-2021)

We are proud to dedicate the 31st Anniversary of Cattleman's Weekend to Vic Howell, a longtime manager of the Babbitt Ranches in Flagstaff, Arizona, and supporter of the Arizona Hereford Association, and Cattleman's Weekend, who passed away February 18, 2021.

Vic was born in Burwell, Neb. on November 6, 1961 to Bill and Gloria Howell. Not long after, in the fall of 1963, the family moved to Arizona where Bill began to work for Babbitt Ranches as a cowboy up on the Cataract. Three years later, Frank Banks, the manager at the time sent him to run the CO Bar, and shortly after that, when Frank retired, Bill became manager and moved the family to Spider Web Camp. Vic and his brothers Tim and Tom grew up at the camp, immersed in the ranch and cowboy lifestyle.

Vic grew up working on the various divisions of the Babbitt Ranches, learning from his father, as well as his uncle, Harvey Howell, who also was a longtime employee of the Babbitts. In 1980 Vic married his high school sweetheart, Jamie Hardin, and he went to work at the Red River Feed Yard while also attending Central Arizona College. Following his graduation, he and Jamie moved to Heber, Arizona to work for Doy Reidhead. In 1984 he and his family returned to Babbitt Ranches, where he worked full time while also obtaining a business degree from Northern Arizona University.

In 1991, when Bill retired as manager, Vic was named as his replacement, and held the position of manager for 30 years. It is in large part due to his skills as a cattleman that the Babbitt's cow herd continues to be known for its quality and productivity, and that the ranch's horses are some of the best of the breed. In fact, in 2005, under the direction of Vic, Babbitt Ranches was awarded the AQHA Best Remuda Award.

Vic and Jamie raised three daughters, Victoria (Vicki), Cassandra (Cassie) and Danielle (Dani), teaching each of them to value life on the ranch, and all about horses and cat-

tle. According to Jamie, he "kept them well mounted, taught them to read a cow and to handle a rope, yet he also allowed them to be 'ladies'." All three were involved in high school rodeo, and Vic was a director in the Arizona High School Rodeo Association.

In addition to his work on the ranch, and with high school rodeo, Vic was a member of the Arizona Cowpunchers Reunion Association, and served on the board of directors. He was also on the board for the Arizona Cowpunchers Crisis Fund, a program that helps injured cowboys and their families. He held that position since the board's inception. He also was a judge of the Top Hand and Top Horse competition at the World Championship Ranch Rodeo in Amarillo, Texas, for a number of years.

Because of his expertise in raising and judging top quality cattle, Vic participated in Cattleman's Weekend as a grader for the Arizona Hereford Association Bull Sale and the Arizona Angus Association Bull Sale.

Arizona's cattle industry was saddened when it became known that Vic had become ill, and even more so when he passed away. In recognition of those things that were so important to Vic in life, the family asked that any donations in his memory be made to the Arizona Cowpunchers Crisis Fund, P.O. Box 639, Pine, Arizona 85544, or the Sunshine Rescue Mission, 124 S. San Francisco Street, Flagstaff, Arizona 86001

BVDV INFECTION CAN DISINTEGRATE HERD PRODUCTIVITY.

Bovine viral diarrhea (BVD) infection can disintegrate herd productivity. And if you're using a vaccine, like BOVI-SHIELD GOLD[®] that isn't labeled for the most prevalent strain, your cattle could be at risk. Play it safe. Choose the only vaccines specifically labeled to protect against Type 1b: Express[®] FP and Pyramid[®] + Presponse[®] SQ. Know more at BVDVTracker.com.

Babbitt Ranches Annual Hashknife Colt Sale

Saturday, July 9th, 2022 @ 10:30am

COWBOY ESSENCE

The cowboy culture has long been admired for many wonderful characteristics, for example; hard work, integrity, respect, optimism, self-reliance, family values, trust, confidence, honesty, loyalty, having a relationship with the seasons of the year, perseverance through hard times as well as gratitude during good times.

We are fortunate to have the cowboy heritage to remind us of Cowboy Essence and no matter who we are or where we are in our lives, we all have the opportunity to pursue Cowboy Essence.

We see examples of cowboy essence in all aspects of our communities, cultures and society whether in a schoolteacher, farmer, physician, family member at home, firefighter, law enforcement officer, businessperson, civil service worker, scientist, artist, outdoor recreationist, student or rancher.

The character qualities that make up Cowboy Essence are defined in The Constitution of Babbitt Ranches and are reflected in the Babbitt Ranches core values. Since 1639, they have guided the lives and generations of the Babbitt Ranches Community.

Cowboy Essence is the character and desire, developing a positive self-awareness of who we are and that we are always striving to be at our best.

The definition of Article III Cowboy Essence in The Constitution of Babbitt Ranches was inspired by the leadership philosophy of Hall of Fame Coach John Wooden.

Located 35 miles Northeast of Flagstaff, AZ on US Hwy 89A (Between mile post 450 & 451)

Metallic Stylin, "Ace," is a 15 hand Red Roan Gelding and NCHA Earner of \$25,054. He is sired by a horse who needs no introduction – Metallic Cat, winner of over \$637,000 in lifetime earnings. In addition, his offspring have won more than 40 million dollars (only the fourth sire in NCHA history to do so). Ace is out of a daughter of Lizzy's Gotta Player who has won over 15K in the NCHA. Ace will be; without doubt, one of the best bred horses in any barn.

If you are looking for a flashy, stylish, gelding that can absolutely eat a cow up one minute, turn around, walk out of the show pen and carry around your grandchild look no further. Ace is a proven finished cutting horse, finished Open Team Penning and Ranch sorting horse, and is also started in the team roping on both ends. Ace has seen big country from our cattle permit in the Rockies to doctoring yearlings in the pastures around our house. He has been there and done it. The question of whether to take home a first class performance horse or the flashiest ranch horse deluxe in the sale becomes easy with Ace who captures both in one foul swoop. She has mostly been used as an outside horse but has been started on the heel side as well. The majority of her time has been spent gathering cattle and in the branding corral. She is real easy going on the ground. She ties, shoes, saddles, and loads quiet and easy. Tippy would be a great mare for any role in your program.

All Around superstar! Dutton is stunning, spectacular and one of a kind! His gorgeous blue roan color, black points and coal black mane and tail catch the attention of everyone who sees him. Dutton's pedigree speaks for itself as he is an own son of Once In A BLU Boon who is an NCHA money earner of over \$318,000 and he is out of an NCHA money earning daughter of Bet On Me 498. Dutton has been with our family for over a year and is a family favorite. He is a fully trained cutter who is an NCHA money earner but that is not where it stops! His resume is lengthy and his abilities are endless: Cowhorse, Rope Horse, Ranch Versatility, Trail Horse, Kid and Family Horse! With his willing attitude, athleticism, kind and willing way he has excelled in multiple disciplines with our family. Dutton has a very smooth way of going in all his gaits and is light and responsive in the bridle. He lopes nice collected slow circles and will move out in a large fast circle as well while keeping himself collected and controlled. He has an easy slow trot and extends with ease when cued. Dutton works off a loose, drape rein and responds to leg cues and pressure. When asked to stop he will drag his butt in the ground. He does roll backs, is sure leaded and does simple lead changes. He will not do anything that is not asked of him which makes him the perfect mount for novice to advanced riders. We have used Dutton for everything from weekend cuttings, ranch rodeos, ranch versatility shows, roping, trail rides and lessons. There is not much that Dutton has not done or been exposed to! He is proving to be a wicked rope horse. He handles the pressure of the box with ease and has plenty of run and rate on a cow. Dutton is great in ranch versatility events as he does all the performance cow horse events, is a contender in the ranch pleasure, does plus maneuvers in the ranch trail and will even run a fast set of barrels. Dutton usually is the star of the show wherever we take him. If he is not out competing you can find him toting around a pile of kids, dutifully standing by and keeping watch while they run circles around him, or stealing the heart of someone passing by with his huge, teddy bear personality. Dutton has spent many days taking care of riders of all levels on the trails in both Minnesota and Arizona. He is sure footed, easily navigates rough terrain and does not spook or shy at new obstacles. Dutton has been used to carry the flag in grand entries and doesn't let the loud noises, roar of the crowd or commotion of an event bother him. He is great with traffic, new scenery and situations, mounting blocks, rides bareback, single and double. Dutton is good to saddle and bridle, stands tied in the crossties or to a fence, is good for the farrier, unloads, loads and trails with ease. He is good with other horses, easy to catch outside, good in a stall or pasture. Dutton loves attention and will stand all day to be groomed and loved on. Dutton truly is a one of a kind gelding who will make dreams come true! He is 100 percent sound, and up to date on dental. Come meet and try him before the sale! Gunny is 15.1 hands and 1250 lbs. He has been on our ranch with us since he was a yearling. We bought directly from the breeder so we are only his second owner and know him through and through.

He has done every task a horse has to do on a ranch, from catching wild cattle in rough country and leading them for miles, to big country gathers, and working cattle in the corral when you get there. He is honest and reliable, has impeccable genetics lend as well as great bone and an intelligent and kind personality.

He is a true cowboy’s friend. He is easy to shoe, stout to the horn and knowledgeable of all working situations on a ranch. He will stay where you put him when you step off to tie something down and he will never leave you afoot. If you have a job to do, and are looking for top notch horse to help you do it, then Gunny is the horse for you.

Portia is an incredibly fancy daughter of One Time Pepto, leading NCHA and NRCHA sire with offspring earnings in excess of \$18 million! Her dam, Little Catnip, is an NCHA money earner of over \$26,000. Portia has had two years of professional cutting and working cow horse training. She has a really nice handle as she is very soft in her face, carries her head low, is a nice moving mare at both the jog and the lope and has the ability to move around the arena gracefully. She is super fun to ride as she is easy to maneuver and guide with a one hand neck rein and leg pressure. She is big stopping and quiet minded as she goes about her job. She is incredibly cowy as well and allows her rider to sit back and enjoy the ride. This mare makes performance cow horse events fun and enjoyable. Portia is extremely gentle and easy to have around. She is easy to saddle and bridle, prepare, stands tied quietly, is good for the farrier, loads and unloads and trailers with ease. Portia is a star who will easily find herself at the top of performance cow horse events and will also make a standout mother someday. She is 100 percent sound. Judy, the total package for small adults and kids to enjoy life horseback. There is not much not to love about her! She is a stout, tailor-made quarter horse mare in that hard to find 14 hand size. Her willingness to do the job put in front of her makes a day in the saddle what it should be...enjoyable and stress free! Judy has logged many hours in the big country, ranching with kids. She knows what a day's work is and has no problem keeping up with the big horses when there is a job to be done. Judy has pushed many cattle, done pasture drives, roped cattle in the wide-open spaces and will get you right up next to any gate to open and close. Judy has been used in brandings, by a 13-year-old boy, to drag calves to fire. She handles the chaos of ranch life with ease and is no stranger to it. She is great out on the trail as she handles all situations with ease and easily navigates the roughest of terrain. Judy is also a joy to ride in the arena. She slow lopes and jogs off on a loose bridle rein, is low headed in all her gaits, she knows both her leads and can even do a simple lead change. There is no funny business about Judy, she knows her job and does it well. She is easy to navigate as she is broke in the bridle and is easy to handle and has a good stop. Judy has been our 10-year-old son's main mount. They have shared many miles together, by themselves, riding across the Arizona desert. They pack a saddle bag and go off to create memories and adventures. Judy will lay down on command as well and rides double. Judy stands tied quietly, is easy to saddle and bridle, is good about her feet, loads and unloads from the trailer easily. She is good in a stall or in the pasture, is willing and easy to catch and gets along well with other horses. Watch your kids grow and learn with a good one who has been there, done that and knows the ropes of ranch life or simply enjoy life on the back of a horse going down the trails. Come meet and ride Judy before the sale, she will not disappoint! She is 100 percent sound and up to date on farrier and vaccinations. Cricket

Gelding • Grade Half Arab • Black
DOB: 2013 • 15.1 H • 1150 lbs

Cricket stands 15.1 hands tall with a lot of bone and a big foot. Cricket is a Quarter Horse/Arabian cross gelding. Cricket is a very friendly and very *gentle* horse. He has been used on the ranch and has also been trail ridden a lot. He is the best of both breeds of the American Quarter horse and Arabian. We've used him for night rides in the wilderness this winter riding through deep snow and thick brush. Cricket isn't just a great trail horse but he could also be shown in ranch pleasure. He is a very soft and smooth traveling horse. He will lope off from a standstill and has a rocking chair lope. Everything he does is a slower speed. He walks, trots, and lopes in low gear. He rides off of leg press and has a nice one hand neck rein. He's great for all trail obstacles and is traffic safe. Cricket trailers quietly, stands for farrier, saddles up easily, bathes, and clips. He's very easy to ride and would fit any level of rider. He will side pass, pivot, and ride bridleless. You can ride him bareback with just a halter or fully tacked. You can leave him sit with time off then saddle up and go with no issues. He has never offered to buck or do anything to hurt his rider. He stands in the crossties to get brushed ignoring all the barn commotion and has great ground manners. He is current on dental and farrier work. He's really a fun horse to ride and I always look forward to riding him. Cricket is located in Minnesota but will be at the American West Horse Sale in Prescott, Arizona two days prior to the sale for viewing. His sale video will be posted at the beginning of March. Own son of Metallic Cat, number one leading sire for NCHA. Rip is a powerhouse of a gelding who has size, shape, foot and bone and athleticism. Rip has had three years of professional cutting training and spent years as a working ranch horse. He is extremely cowy and fun to ride on a cow—he will get right down on his belly and look a cow right in the eye. While he is extremely intense, he is also calm, cool and collected enough for inexperienced riders to navigate. Rip has the unique ability to ride up or down to the level of the rider who is piloting him. He is a horse that is soft in the face and broke in the bridle. Rip rides low headed and easily responds to a one hand neck rein. He has a nice, comfortable slow jog and will extend with ease with a little leg pressure. Rip is sure leaded and has a nice lope that is easy to sit. He will easily maneuver around the arena in patterns and performs simple lead changes. He is a big stopping horse that will drag his butt in the ground when asked. Rip has been used by our family for weekend cuttings, ranch horse versatility shows, ranch sorting, team penning and ranch rodeos. He truly is an all around horse that excels in multiple events. With his smooth way of going he easily finds himself at the top in ranch pleasure classes and he performs plus handles obstacles with ease in the ranch trail. Rip stays quiet and doesn't get hot while he is performing the tasks in front of him. He is our go to horse for halter breaking our colts, he pulls strong from the horn and doesn't get flustered in bad situations. Rip has seen his fair share of the trails as well, from the woods of Minnesota to the desert of Arizona, he has covered many miles. He is sure footed and has no problem navigating rough or rocky terrain. Rip is great with kids as well, you can usually find our boys who are 10 and 13 piloting him around horse shows. Both of our boys have landed in the winners circle with Rip in multiple cow horse events. Rip is easy to saddle and bridle, is broke to a mounting block, stands tied quietly, is good for the farrier, stands in crossties, unloads, loads and trailers with ease. He is good with other horses, easy to catch outside and good in a stall or pasture. Rip loves attention and is a personable horse who loves to be doted on. He is great with traffic, new scenery and situations, he rides bareback and can easily be guided with little to nothing on him. He is 100 percent sound, up to date on dental. The girls call me Quartz. I'm 8 years old, and I love the kids. I've been told I have a kind eye, and I am gentle. Very few things spook me, and I promise you with three girls running around here, I've seen and heard a lot. The girls take me to rope, gather calves, and often we hit the trail together. I've been ridden by adults and kids alike. I pick up the pace depending on who's got a hold of the reins. I stand still to be saddled, but the girls also ride me bareback. The farrier says my feet are good and I nearly fall asleep at the "spa." When Grandma comes, I am the horse they choose for her to ride. He has been exposed to many different versatilityes including cutting, ranch work, team roping, team penning, and tons of trail riding. I hauled Habanero to college rodeos last spring, jackpots during the summer and used him on the ranch in the meantime to brand and gather. He is fun to ride and very user friendly. Habanero will be the same horse every ride whether it is every day or every six months. He has a lot of speed if you desire, or will walk around with ease. He can turn around on a dime and will drag his tail to a stop. Call Keaton at 208-403-1060 for more info.

Get noticed with Joe Willie Rey! Joe is gorgeous, with his unique rabicano coloring, size, shape and talent he draws attention wherever he goes. He is an own son of the great Dual Rey, AQHA Hall of Fame stallion and #2 All Time Leading Cutting Sire. We have owned Joe for over a year, he has been ridden, enjoyed and loved by our whole family. Joe is a very talented individual who excels in many different things. He has made a seamless transition into ranch versatility and performance cow horse events with his cutting training background. He is very broke in the bridle and soft in his face, he easily maneuvers and guides around on a loose, one hand neck rein. He lopes beautiful circles, is sure leaded both directions and is smooth and cadenced in all his gaits. He is intense and gritty on a cow but easily shuts it off once his work is done. Joe has been piloted to many wins in performance cow horse events with everyone in our family including our 13- and 10-year-old boys. He is a kind, gentle guy who takes care of his riders and knows the ropes of horse show life. Joe has also been used for trail riding in the Arizona deserts and on Minnesota trails. He is sure footed and goes where you point him. Joe is known as Mr. Personality—there isn't a person he has met that he doesn't like! Joe is easy to saddle and bridle, is broke to a mounting block, stands tied quietly, is good for the farrier, stands in crossies, unloads, loads and trailers with ease. He is good with other horses, easy to catch outside and good in a stall or pasture. Joe loves attention and being groomed and loved on. He is 100 percent sound and up to date on dental.
